INDIANA TOBACCO PREVENTION AND CESSATION EXECUTIVE BOARD REQUEST FOR GRANT APPLICATION FOR STATEWIDE PARTNERSHIPS April 11, 2008

The Indiana Tobacco Prevention and Cessation Executive Board (ITPC) announces the availability of a total of \$950,000 in funds to support grants for statewide tobacco prevention and cessation efforts. The funding period is from June 1, 2008 – May 31, 2009.

Background

The Indiana Tobacco Use Prevention and Cessation Trust Fund and Tobacco Board (ITPC) were created by the Indiana General Assembly in 2000 and are governed by IC 4-12-4 (for information on Indiana Code access www.state.in.us/legislative/ic/code/). ITPC exists to prevent and reduce the use of all tobacco products in Indiana and to protect citizens from exposure to tobacco smoke. ITPC coordinates and allocates resources to:

- Change the cultural perception and social acceptability of tobacco use in Indiana
- Prevent initiation of tobacco use by Indiana youth
- Assist tobacco users in cessation
- Eliminate exposure to secondhand smoke
- Support the enforcement of tobacco laws concerning the sale of tobacco to youth and use of tobacco by youth
- Eliminate minority health disparities related to tobacco use and emphasize prevention and reduction of tobacco use by minorities, pregnant women, children, youth, and other at-risk populations.

ITPC develops and maintains a process-based and outcomes-based evaluation of funded programs and keeps State government officials, policymakers, and the general public informed. ITPC allocations are guided, to the extent possible within budget constraints, by the U.S. Centers for Disease Control and Prevention's (CDC) Best Practices for Comprehensive Tobacco Control Programs. CDC recommends that States establish tobacco control programs that are comprehensive, sustainable, and accountable. (http://www.cdc.gov/tobacco/bestprac.htm)

The Hoosier Model consists of:

- Community Based Programs
- Statewide Media Campaign
- Cessation
- Evaluation and Surveillance
- Administration and Management

The ITPC Executive Board has selected six priority areas for the 2010 Indiana Comprehensive Tobacco Control Plan. These six areas are:

- 5. Increase Indiana's tobacco tax to reduce adult smoking and prevent youth smoking.
- 6. Maintenance of state and local infrastructure necessary to lower tobacco use rates and thus make Indiana competitive on economic fronts.

^{**}Note: For the 2007-2009 grant cycle, ITPC eliminated four indicators that the grantees previously worked on based on changes in the tobacco control environment and resources in Indiana.

Additional information about the ITPC program and evaluation results can be found in 2007 ITPC annual report http://www.in.gov/itpc/2954.htm

The Community-Based Programs incorporate minority, school, cessation and statewide programs designed to lower youth smoking, increase cessation among Hoosiers, and protect Hoosiers from secondhand smoke. Grants are provided in four categories:

- Community-Based Partnerships (awarded at the county level through an RFA process in summer 2007 for SFY 2008-2009)
- 2. Minority-Based Partnerships (awarded at the local and state level through an RFA process in summer 2007 for SFY 2008-2009)
- 3. Statewide Partnerships (to be awarded in the 2008)
- 4. Memorandum of Understanding with Alcohol and Tobacco Commission (ATC) for enforcement of Indiana's youth access law.

Requests for Application: Statewide Partnerships

Rationale and Focus Areas

The ITPC collaborates with organizations that have a statewide reach to decrease tobacco consumption in Indiana. The ITPC specifically set aside funding for statewide partnerships in order to advance collaborative and evidence-based solutions to address Indiana's high tobacco use rates among adults and youth.

ITPC announces the availability of a total of \$950,000 in funds to support grants for statewide tobacco prevention and cessation efforts. The funding period is from June 1, 2008-May 31, 2009.

Awards issued for these grants must focus on one of the following areas: 1) Cessation Systems Change or 2) Building Indiana's Voice Movement.

CESSATION SYSTEMS CHANGE

- Have statewide impact
- Be adult-focused
- Incorporate a plan to promote the Indiana Tobacco Quitline that includes at a minimum promotion to your organization's network, quitline logo on your organization's website, and promotion at your organization's annual meeting
- Propose evidence-based strategies that address a minimum of one of the following areas:
 - Promoting cessation strategies to health care providers
 - Promoting cessation strategies to employers
 - Expand outreach to low income, Medicaid, underinsured, uninsured adults to increase utilization of the Indiana Tobacco Quitline
 - o Training for healthcare professionals on the Public Health Service Practice Guidelines
 - Marketing and outreach projects to young adult tobacco users (ages 18-35)
- Incorporate the CDC's Best Practices for Comprehensive Tobacco Control Programs (http://www.cdc.gov/tobacco/bestprac.htm);
- Use strategies and recommendations from the Public Health Service-sponsored Clinical Practice Guideline, *Treating Tobacco Use and Dependence*. It assists clinicians, smoking cessation specialists; and health care administrators, insurers, and purchasers in identifying and assessing tobacco users and in delivering effective tobacco dependence interventions.
- Use the CDC's A Practical Guide to Working with Health-Care Systems on Tobacco Use Treatment (http://www.cdc.gov/tobacco/quit_smoking/cessation/practicalguide.htm
- Agree to fully collaborate and participate in the complete community-based program funded through ITPC and include a plan for interfacing with the ITPC local partners
- Demonstrate that the program has a strong likelihood for a sustainable effort should funding not be available in the future.

BUILDING INDIANA'S VOICE MOVEMENT

- Have a statewide impact
- Be youth driven
- Commit to focus on anti-industry messaging rather than only a healthy lifestyle message
- Coordinate with the Voice Hub structure so that your organization's grant proposal is linked with existing Hubs and local Voice activities
- Agree to attend a one-day statewide Voice orientation organized by ITPC
- Agree to complete a Voice communication plan between your organization and the Voice Hub Coordinators
- Participate in at least one of the following ITPC initiatives
 - Statewide Voice Youth Summit
 - Regional Voice Activism Event
 - o ITI Summer Institute
- Use youth empowerment strategies to guide proposed activities (see http://www.americanlegacy.org/Documents/PDF/Youth_Empowerment_ _The_Future_of_Tobacco_Control_in_Action.pdf)

BUDGET EXPLANATION

Description of Budget Line Items

The following line items should be included if applicable. Use the budget form provided or a similar format. Explanation of budget items must be submitted on a separate page or incorporated into a budget form.

1. Personnel

a. Salaries and Wages

For each staff position proposed, include the title of the position, percentage of time (FTE), annual salary, and number of month's salary requested, and a summary of the job description or responsibilities. Staff position(s) paid by Statewide and Regional program funds must be dedicated only to tobacco use prevention activities approved in the work plan.

Tobacco programming activities must occur during the calendar quarter for which the staff is being paid salaries and wages. Paid staff must document hours worked and summarize activities performed on a daily log. Salaries and wages paid to staff must be for hours worked in the same calendar quarter and evidenced by the daily log.

Salary and wage increases for staff can only be applied after an individual has worked toward approved plan goals for more than 12 months. A cap on annual salary increases is limited to the consumer price index – all urban consumers, as published by the U.S. Department of Labor, Bureau of Labor Statistics Data (www.bls.gov) or 3% of the current approved salary and wages, whichever percentage is less. Please apply the percentage, not to exceed the 3% limit, as applicable, by checking the year and month that corresponds with the one-year anniversary of the staff person in question. Please remember that the earliest date staff could have been actively employed is the date of the final signature on the grant contract. The final signature date is the date the contract is considered fully executed

b. Fringe Benefits

For each position, indicate the rate and compute the amount charged for fringe benefits usually and customarily provided by the organization for employees. ITPC grant funding cannot be used to provide benefits in excess of those normally and customarily offered to all employees. If the organization does not provide fringe benefits to all employees, ITPC grant dollars cannot be used to provide benefits not normally and customarily offered. Please refer to the human resources department of your lead agency for guidance on this budget line item.

2. Travel

Expenditures for travel will be limited to the rate customarily paid by the agency or the current rate being paid by the State of Indiana, whichever is the lesser. A chart summarizing the maximum reimbursement amounts from the State of Indiana's, Financial Management Circular No. 97-1.1 effective March 1, 1997, revised January 2004, is included for reference.

Expenses incurred to attend tobacco use prevention and cessation trainings, conferences and meetings are permitted. Present the following for each event: Description of the event or conference; rationale for attending (this should connect directly to the partnership's vision and program activities); anticipated follow-up from the event after you return to the community; budget estimate (travel, lodging, meals, registration fees, other expenses.)

3. Supplies

Supplies may include: office supplies, meeting supplies, or other supplies, including those supplies <u>not specifically excluded</u>. The purchase of tobacco use prevention educational supplies should be consistent with the goals and objectives of the Tobacco Use Prevention and Cessation Executive Board. Include a narrative justification outlining the intended use and incorporation of the supplies into the local program. Food is a prohibited expense with ITPC funding.

4. Contractual

On separate forms provide descriptions of contracts for program activities, these must be included along with budget information. (Contracts for administrative activities such as out of agency printing, etc., do not need to be described.) On the budget form or on another page describe for each contract the following information: 1) scope of work including tasks and deliverables, 2) time period of the contract, 3) person in the agency who will supervise or manage the sub-recipient contract, 4) name of the contractor or, if not yet known, what method will be used to select the contractor, e.g. bids, RFPs, mini-grants, sole source, etc.

The subcontract agreement format provided by the Tobacco Prevention and Cessation Agency should serve as a boilerplate to collect information on subcontractors. If additional space is needed to explain the details of a contract please attach and reference these documents within the body of the subcontract or mini-grant agreements. The boilerplate contract documents provided are not intended to be the sole source of information for executing a contract for goods or services.

5. Other

This category can include costs for items such as telephone, rent, copying, printing, postage, mailing, publications, and public and professional education costs. If the agency or organization has an approved indirect cost plan, costs may not be included in the **Other** category if they are included in the indirect charge.

Rent to be paid for space for tobacco prevention and cessation programming activities cannot exceed the fair market value for the space. Document how the rental expense was determined and retain this documentation in the records.

Cell phone expense paid from tobacco grant funds must be for calls to conduct tobacco prevention and cessation business. To be reimbursed for cell phone calls, the grantee must have an approved line item in the budget for cell phone expense and provide itemized billing receipts with tobacco prevention and cessation phone calls highlighted. The reimbursement can only be for the calls to conduct tobacco prevention and cessation business. No reimbursement will be issued for cell phone expenses without itemized billing for calls that cannot be documented as for tobacco prevention and cessation activities. To direct pay a vendor for cell phone expenses you must have itemized billings, highlight the calls for tobacco grant programming activities and only pay for the calls that are for tobacco grant programming activities. If you contract for a flat fee for cell phone expenditures, you must still get itemized billing, highlight the calls that are for tobacco programming activities and calculate the percentage of the total expense that was incurred to conduct tobacco grant programming activities. Only charge the tobacco grant for the percentage of tobacco grant program calls applicable.

6. Paid Media

Advertising and communication media must utilize the media campaign imaging and the common messages developed by the Indiana Tobacco Use Prevention and Cessation Executive Board. Advertising and communication expenses for paid media cannot exceed 5% of the total grant amount awarded.

7. Furniture and Equipment

Office furniture, equipment and computer/software upgrades, are allowable, provided they are reasonable expenditures relative to the work proposed and were not purchased in a previous year. All equipment purchased with grant funds, which cost \$500 or more, shall remain the property of the Indiana Tobacco Prevention and Cessation Agency and shall not be sold or disposed of without written consent from the Indiana Tobacco Prevention and Cessation Agency. All furniture, equipment and computer/software upgrades purchased which cost \$500 or more must be listed on a fixed assets listing, see sample document in appendix.

8. Indirect Charges

Indirect charges will vary according to need and are payable to the lead agency/fiscal agent only. Indirect costs are not an allowable expense for mini-grant recipients or subcontractors. All costs incurred by mini-grantees or subcontractors must be direct costs to provide goods or services. Organizations may budget up to a maximum of 5% of the total direct cost amount for indirect costs. This amount is an integral component of the total grant award. The total charges that are included in the approved indirect cost rate may not be listed as direct costs in the budget. Typical examples of indirect costs may include central service costs, accounting personnel services, the costs of operating and maintaining facilities, etc. Check with the fiscal officer to see if you are allowed to include an Indirect Charge, and to see what costs are categorized as "indirect" for the organization.

- Under penalties of perjury, I certify that:

The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
- 3. I am a U.S. person (including a U.S. resident alien).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. Purpose of Form

A person who is required to file an information return with the IRS must get your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made

Use Form W-9 only if you are a U.S. person (including a resident alien), to give your correct TIN to the person requesting it (the requester) and, when applicable, to:

- 1. Certify the TIN you are giving is correct (or you are waiting for a number to be issued),
- 2. Certify you are not subject to backup withholding, or
- 3. Claim exemption from backup withholding if you are a U.S. exempt payee.

If you are a foreign person, use the appropriate Form W-8. See Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Corporations.

Note: If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

What is backup withholding? Persons making certain payments to you must withhold and pay to the IRS 31% of such payments under certain conditions. This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

If you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return, payments you receive will not be subject to backup withholding. Payments you receive will be subject to backup withholding if:

- 1. You do not furnish your TIN to the requester, or
- 2. You do not certify your TIN when required (see the Part III instructions on page 2 for details), or
- 3. The IRS tells the requester that you furnished an incorrect TIN, or
- 4. The IRS tells you that you are subject to Ine IRS teins you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the Part II instructions and the separate Instructions for the Requester of Form W-9.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding, if you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of Federal law, the requester may be subject to civil and criminal continuous. penalties.
